ODETTE

Stock No.:	JM1075
Colour:	Document
Width:	137cm
Repeat:	44cm HD
Composition:	100% CO (unglazed)
Fire Code:	B+M
Rub Test:	20,000

Taken from a document found in a house in France, Odette is a deceptively simple design of stylised tulips against a trail of Lily of the Valley. The reproduction of the subtlety of the colour shading in the original involved the making of 24 screens. Printed in 3 colourways on a fine, unglazed cotton
